Domine ne in furore . Psal. VI. Iosquin de Prees.

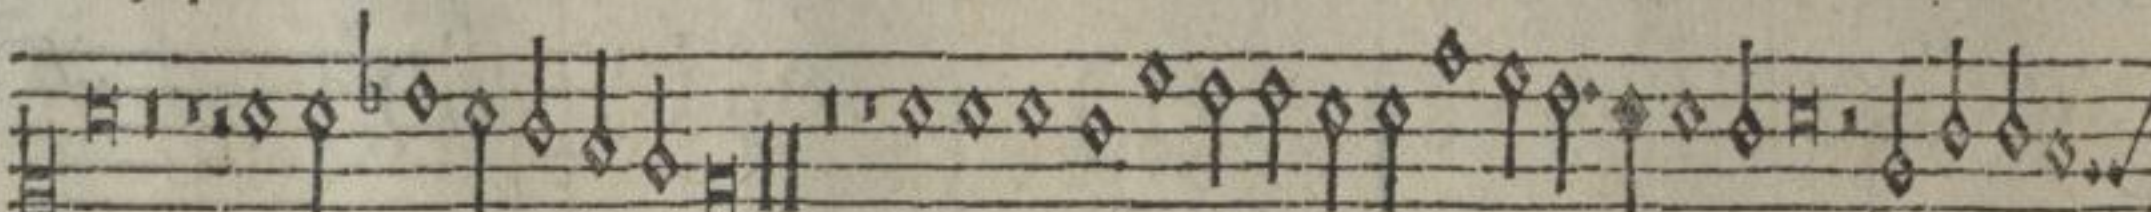

Domine ne in furore tu o arguas me, neque in ira tua cor-

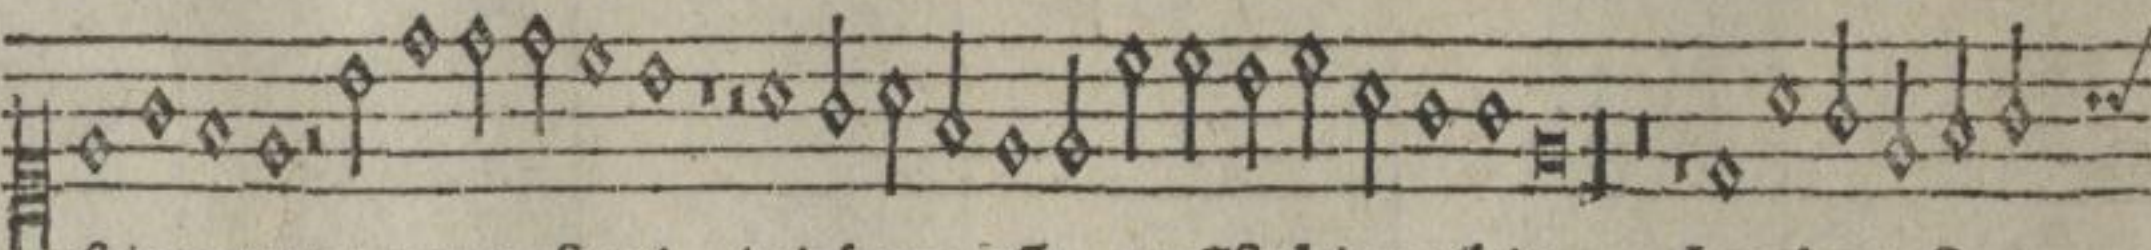

ripias me. Misere mei Domine, quoniam infirmus sum, sana me Domi-

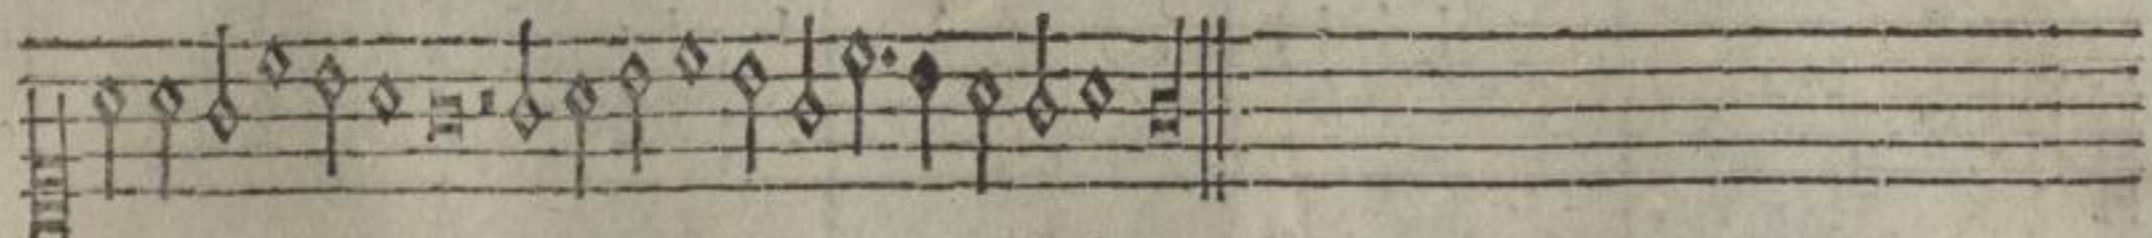

ne, quoniam conturbata sunt ossa mea. Et anima mea a turbata est ual-

de, sed tu Domine usquequo? saluum me fac propter misericordiam tuam. Quoniam non

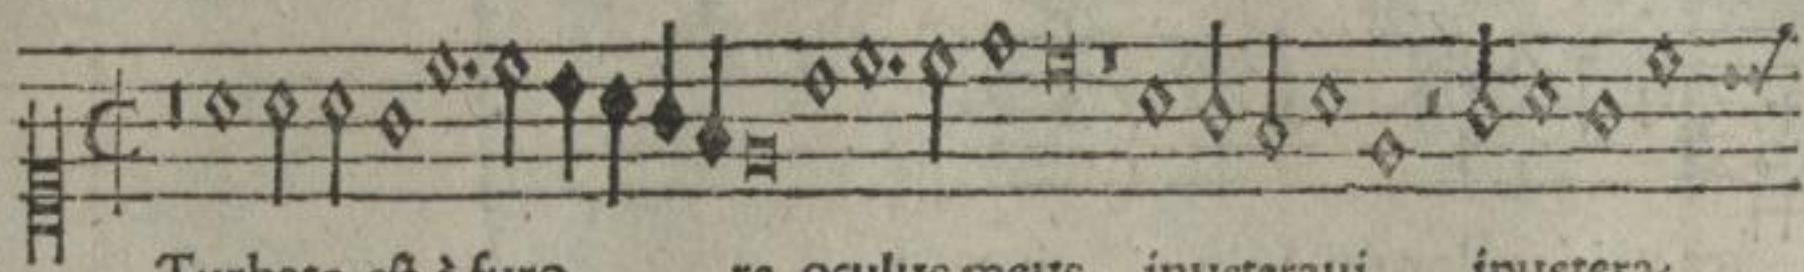

est in morte quod memor sit tui, in inferno autem quod confitebitur tibi: Lauabo per linguas

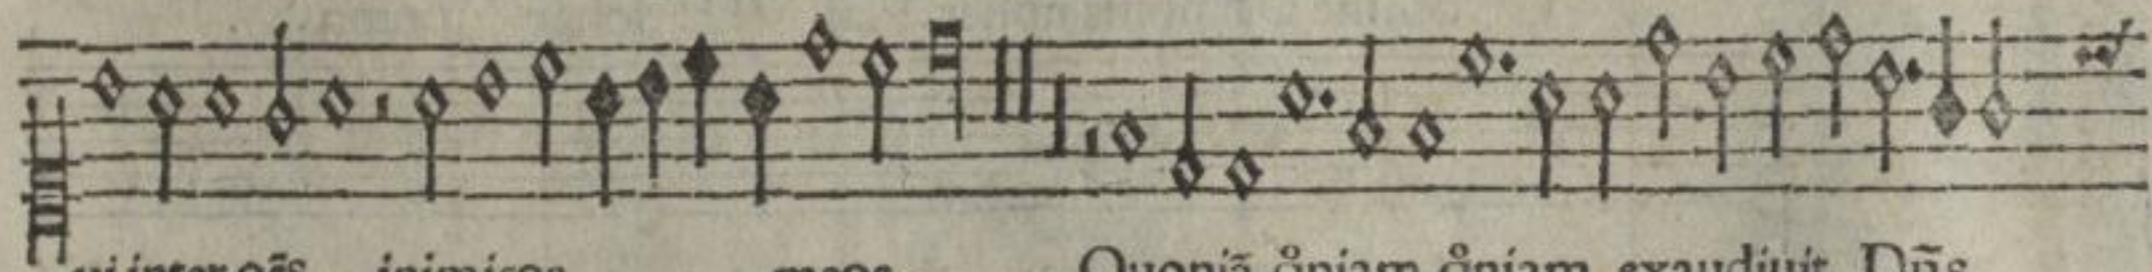

las noctes lectū meū lachrymis strātū meum rigabo.
