

John Taverner

Mass Corona Spinea

Source: Forrester Heyther part books.

Note values halved. Transposed up one tone on account of the probable pitch change.

This mass also sounds well a semitone lower than here printed.

The counter tenor part shows a stage in the development of the voice.

In Fayrfax it does not go above G in transcription (scores of four masses on IMSLP) and is a tenor voice, going down to D. Taverner observes this limit for most of the mass, but he takes the counter tenor to A in the mens voice section of the Agnus Dei, bars 62ff.

Top A becomes a normal note in the next generation of Tallis and White,

and the voice becomes a high tenor.

Trebles and means were both boys' voices.

It is not always possible to use a single time signature in a section.

Changes have been kept to a minimum. The musical sense is sometimes at variance with the barring, but this has been kept as regular as possible for the sake of counting.

Mensuration in the source is barred circle and barred semicircle.

Underlay has been presented without hyphens and trailing underscores for reasons of clarity.

This also matches contemporary part books. Often syllables last for a whole page and continue over rests.

Mass: Corona Spinea

This musical score shows the final measures of the 'Qui tollis' section for a six-part choir. The music is in D major (two sharps) and 4/2 time. The vocal parts are arranged from top to bottom: Tenor (Tr.), Male Soprano (M.), Contralto (CT.), Tenor (T.), Bass 1 (B1.), and Bass 2 (B2.). The lyrics 'Qui tol' are written under the Tenor (T.) part, and 'Qui' is written under the Bass 2 (B2.) part. The score includes various musical notations such as eighth and sixteenth notes, rests, and trills (marked 'tris.'). The piece concludes with a double bar line and repeat signs in the final measure of each part.
