# **Preface**

The Virtuositic Etudes are written with the aim to continue and enrich the violin school created by Henri Vieuxtemps and Henrik Wieniawski. The Etudes are permeated by this heritage which currently appears as partially forgotten and underestimated. The performer should look at works such as Wieniawski's *Ecole Moderne* as ideal models whose particularities are findable in my Etudes. The Virtuositic Etudes are heirs of a music heritage which merits a new golden era.
