DI D. FERRARANDO

G O N Z A G A

Duca di Guastalla &c.

In Bologna per Giacomo Monti. 1674. Con licenza de' Superiori.

SERENISSIMA³ ALTEZZA.

Il merito impareggiabile di V. A. S. che con i raggi d'un benigno aggradimento hà mai sempre illustrato le tenebrose caligini della mia penna, humilmente consacra quest' Opera, la quale per essere sacra, non ad altri si conueniva, che à vn Prencipe riguardeuole per la pietà, & ammirabile per l' integrità de costumi. Non parlo della nobiltà del Casato, nè fauello dell' imprese generose de suoi celebri Antenati, perche se volessi mentouare le glorie d' vn FERRANDO figlio di FRANCESCO Secondo Marchese di Mantoua, che con la forza del suo braccio guerriero assicurò su'l capo à più Monarchi il vacillante Diadema, i fasti d' vn CESARE non disuguale al Padre, che dallo Scettro Cattolico fù creato Capitan Generale di Cavalleria in Italia, i pregi d' vn GIO. VICENZO, che per la carriera d' vn sapere inarriuabile giunse, non sò, s' io dica ad essere honorato da gli Ostri Quirinali, ò ad honotare le Porpore di Roma, le attioni d' vn' ERCOLE, d' vn OTTAVIO, d' vn' altro FERRANDO, e di tant' altri GONZAGHI famosi non meno per le vittorie riportate in guerra, che per la prudenza dimostrata in pace, farebbe vn voler scorrere l' immensità di mille Oceani su l' incostanza pericolosa di mal sicuro nauiglio, & vn pretendere di vagheggiare il bell' occhio del Sole, abbisso interminabile di luce senza pupille d' Aquila generosa. Mi fermo solo nelle prerogatiue merauigliose di V. A. S. sì perche non hà Ella d' huopo mendicare dall' altrui glorie luminose splendori al suo merito, nè publicare con la tromba dell' altrui Fama il proprio valore, come anco perche stimarei d' hauer soddisfatto in gran parte

al mio riverente desiderio, se giungessi à perfettamente celebrare la minima di quelle Virtù Eroiche, che la rendono memorabile nella ricordanza de posteri. E' questa l'vbbbligare con la nobiltà de tratti cortesi vniti sempre alla maestà di Grande, e con il cumulo d'infinitè grazie i professori della Virtù, mediante la quale le si deue meritamente in questo nostro secolo il titolo di Meccenate. A Lei dunque tributo con tutto me stesso vn mio debole parto douutole, sì per il genio, che hà di benignamente proteggere l'altrui fatiche, sì anche per i natali, che mi rendono suddito della gran STIRPE GONZAGA. Non la supplico di gradirlo, comunque si sia, perche gli enti non deuonsi moltiplicare senza necessità, sapendo benissimo, che l'AVILE ancorche auuezzè ad habitare le fouranità de monti più eccelsi, & ad ispecchiarfi nella luce del Sole, non sdegnano taluolta metter piede nella profondità di bassissime valli, e rimirare con pupille cortesi i monticelli di fango. Se le ralsembro ardito, incolpi non già l'animo, mà l'ossequio congiunto alla brama di publicare al Mondo i miei stenti sotto l'alto Patrocinio di V. A. S., à cui humilmente, e profondamente inchinandomi, mi dedico in eterno

Di Vostra Altezza Sereniss.

Humiliss. Deuotiss. & Ossequioss. Seruor.
