SVIRANJE PARTITURA 1

zbirka primjera za sviranje zborskih partitura

Zagreb, 2009.

Predgovor

Zbirka skladbi zborske literature donosi izbor glazbenih djela putem kojih učenik postupno stječe znanja i razvija vještine potrebne za njihovo čitanje, razumijevanje, tumačenje i izvođenje.

Zbirka je podijeljena na poglavlja po načelu postupnosti savladavanja sviranja partitura različitih notnih zapisa: od dvoglasnih, troglasnih i četveroglasnih partitura na dva crtovlja s violinskim i basovim ključem, preko partitura na tri crtovlja koje uvode dionicu tenora zapisanu u violinskom ključu s potrebnom transpozicijom, te partitura mješovitih zborova na četiri crtovlja s mjestimičnim dijeljenjem glasova do šesteroglasja. Posljednje poglavlje uvodi zapis dionice alta u alt ključu.

U svim poglavlјima prisutne su skladbe polifonog i homofonog sloga različitih stilskih razdoblja od renesanse do XX. stoljeća koje uz samo sviranje traže i tumačenje glazbenog stila i interpretacije. Tumačenje je neophodno povezati uz sadržaje ostalih glazbeno-teorijskih predmeta čije sadržaje na taj način ili učvršćujemo, ili anticipiramo one koji još nisu obrađeni.

Nadam se da će rad uz ovu zbirku učenike zainteresirati za samostalno istraživanje nepreglednog bogatstva glazbene literature.

This musical score consists of two staves, one for the Soprano (S.) and one for the Alto (A.). The music is written in common time with a key signature of one sharp. The vocal parts are combined into four distinct voices, each represented by a different line on the staff. The lyrics are in Latin and are placed below the notes. Measure numbers 1 through 26 are indicated at the beginning of each line. The music features various note values including eighth and sixteenth notes, and rests. The vocal parts are separated by vertical lines, and the four voices are further divided by horizontal lines within each measure. The score is set against a plain white background with black musical notation.
